

Directions to Center for Advanced Medicine (CAM) • Barnes-Jewish Hospital, north

North Garage Address (for your navigation system)

224 South Euclid Ave • St. Louis, MO 63110

CAM Address (Level 1 - Valet and Patient Drop-off)

4921 Parkview Place • St. Louis, MO 63110

From I-64/US40 to CAM/North Garage

Take Kingshighway north, exit 36. Turn right onto Forest Park Parkway. Take first right onto Euclid Avenue. Turn right on covered drive for Valet. Turn left for parking in North Garage.

- Handicap parking is available in the garage
- Wheel chairs are located near the garage elevators

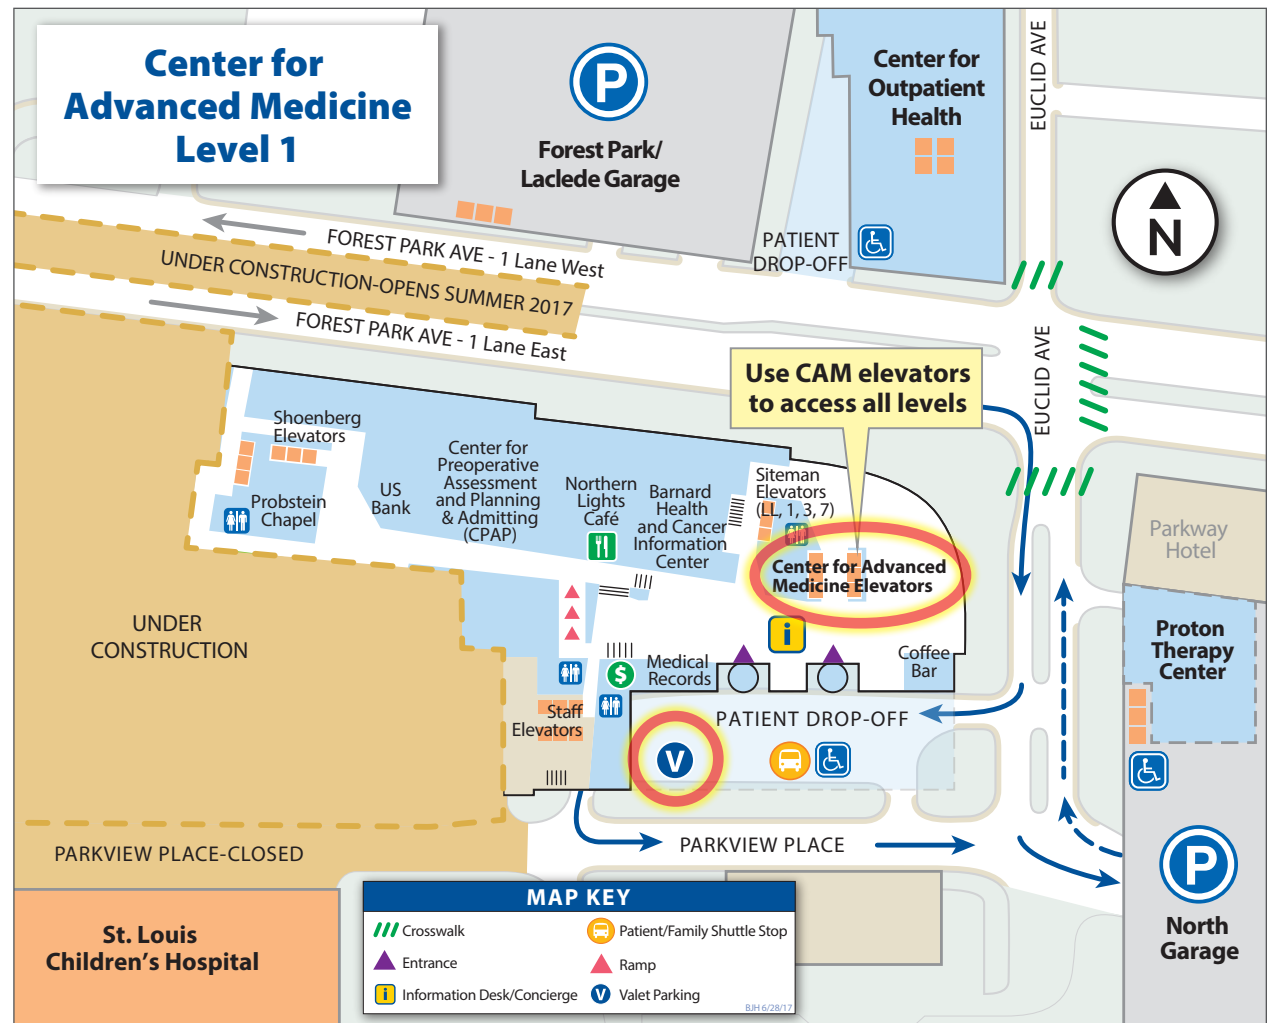

Take garage elevators to Level 3. Take the pedestrian bridge into the Center for Advanced Medicine (CAM). Take first right and proceed to the information desk.

Valet parking

Valet is available at the main entry to the CAM. Follow the signs to the patient drop-off area where you will find valet at the far end. Please stop at the valet desk for directions to the Main Lobby.

Directions to Center for Advanced Medicine (CAM) – Radiology • Barnes-Jewish Hospital, north

For patients going to CT, interventional radiology (IR) or MRI

From the Level 3 lobby, take hallway to left past the information desk.

- CT and interventional radiology (IR) patients – first waiting room on the right.
- MRI patients – second waiting room on the right.

For patients going to nuclear medicine, PET, diagnostic (X-ray), ultrasound, GI/GU or bone density

- Take the CAM elevators to Level 2.
- Radiology is at the end of the hall. Enter the glass doors on the right.
 - If you are a nuclear medicine or PET patient, check-in on the right.
 - If you are a diagnostic (X-ray), ultrasound, GI/GU or bone density patient, turn left down the hallway; check-in is on the left.

For patients going to mammography

Take CAM elevators to Level 5 to the Joanne Knight Breast Health Center, suite 5D.

Need a little extra help?

We will meet you at the door and escort you to your appointment. Call 314-362-5194 or email Concierge.Services@bjc.org.
